16' Super Skiff Pro

The Flats Fishing Legend

The 16' Super Skiff Pro is the most widely used and respected boat in flats fly fishing today. Designed for long range running in open bays with a severe chop, the hull is a unique combination of deep V (18°) and shallow draft (8") with an integrated spray rail to keep you exceptionally dry.

The Super Skiff was the first boat specifically developed for stalking wary Bonefish on the shallow flats—earning its reputation as the quietest, stealthiest, best poling boat on the planet.

There are imitators—but there is only one legend—the Super Skiff Pro.

Specifications

Length: 15'10"
Beam: 6'0"
Draft: 8"
Deadrise: 18°

Max Horsepower: 75 HP
Max Engine Weight: 345 lbs.
