# 17' Super Skiff Pro

## The Long-Range Skinny Pro

The 17' Super Skiff Pro is a fast, long-range technical poling skiff designed to do it all; fish 4 comfortably all day, yet nimble enough to be poled in 8" of water. Run over 40mph with the Evinrude E-Tec 90hp and cut through a 2' chop like a knife through butter. We really couldn't have designed this without the input and advice of hundreds of advisors—our customers and guides.
