## 20' Bay Boat

### Ultimate Form, Function and Flexibility

The 20' Bay Boat is the most recent addition to the Dolphin family of Boats. The creation is the direct result from input from our pro-guide staff and dedicated customers. Thoughtfully designed from transom to stern, this new versatile performer is built to exacting NMMA standards, and delivers exceptional quality, safety and comfort. Designed for serious anglers to accommodate long-distance runs and fishing in the flats, this boat can fill the family's need for fun on the water as well. The proprietary Dolphin hull design provides a smooth, comfortable dry ride in near coastal waters — and all the way to the flats.
